

### **Minimum System Requirements**

- OS: Windows® XP or Windows® 7
- USB: USB 1.1 Host

#### **Installation Steps**

- 1. Locate the provided AFLSimpleView Installer Zip.
- 2. Unzip the contents by right clicking the file and selecting "Extract All...".

3. Select a location to extract to using "Browse", then select "Extract" to continue.

4. Navigate to the folder where the contents were extracted to and double click "setup.exe".
