

Category 6 RJ45 Outlet

AFL's Category 6 outlets offer best-in-class Category 6 component performance. These RJ45 Outlets are available with both keystone (Black) and Clipsal/HPM (White) mounting clips. The keystone mounting outlets are for use in AFL patch panels and surface mount boxes whilst the Clipsal/HPM mounting outlets fit directly into standard faceplates without the need for an adaptor. These outlets offer exceptional performance that exceeds industry standards. Offering Universal T568A/B wiring and the option of tool or tool-less termination.

Features

- Universal T568A/B wiring
- Component compliance to Cat 6 specifications.
- Tool-less option
- Built in cable retention
