

Type CRT Compression Tee Coupler

A tee coupler for joining two cables on the run and taking off a right angle tap at the junction. Made of high conductivity copper and completely tin plated. The round run and tap sections make for an easy and neat taping job. Other sizes than those listed can be readily furnished upon request.

Ordering Information

Catalog Number	Cable Size		No. of Indents B/B1	Dimensions in inches				
	Run D	Tap D1		B	B1	C*	L	W
