

Surface Mount Box – 1 Port

Surface Mount Box – 2 Port

Surface Mount Box – 6 Port

Surface Mount Boxes

AFL's Surface Mount Boxes are a low-profile, workstation solution that offers flexibility for multiple network configurations.

In addition, the Surface Mount Boxes are a cost effective approach for multiple desktop applications or MUTOs. They are available in 1, 2, 4 and 6 port configurations with colour coded ICONs and shutters to protect the outlet when not in use. There is also a MUTO box that has the flexibility of being configured with either 6 or 12 ports and provides extra cable management room within the box.

Features and Benefits

- Multiple cable entry points
- Low profile
- Mounting hardware include
- Colour coded icons
- Shutter for outlet protection when not being used
