

## Category 6<sub>A</sub> RJ45 Outlet

AFL's Category 6<sub>A</sub> outlets offer best-in-class component performance. These RJ45 Outlets are available with either keystone or Clipsal/HPM mounting clips. The keystone mounting outlets are for use in AFL patch panels and surface mount boxes whilst the Clipsal/HPM mounting outlets fit directly into standard faceplates without the need for an adaptor. These outlets offer exceptional performance that exceeds industry standards. Offering Universal T568A/B wiring and the option of tool or tool-less termination.
